

Children at PMO's Loved By Jesus School responding to a local pastor's invitation to receive Christ.

The harvest is plentiful and the Lord is raising up laborers. The powers of darkness attempt to overcome, but those who walk in the Light are more than conquerors. Pray with us for these innocent children and their relatives to learn to trust Jesus fully. Beginning April 26th and continuing for four weeks, David J. will again be joining with local pastors in the Kroboland to continue strengthening the churches. Pray for him, for PMO, and for these churches as we plan to host children's Christian video evenings to extend truth and love to hundreds of vulnerable souls. As technology becomes increasingly introduced in this area, we are attempting to use it for the Kingdom. Destructive influences are being constantly introduced, but God is hearing the prayers of the faithful. We are blessed by the opportunity to come alongside godly Krobos to shine the Light.

This disconnected light, so common where we are working, exemplifies the current state of much of the physical condition and spiritual life in Ghana. Christ's Co-Mission partners with PMO simply to help our Krobo brothers and sisters be actively connected to God's Ways so that His Kingdom can come and His Will be done among them in increasing measure.

"Shine, Jesus, Shine
Fill this land with the Father's glory
Blaze, Spirit, blaze set our hearts on fire... "
